SUPPORT CONNECTION LEVEL 1

This support item assists a participant to implement their plan by strengthening their ability to connect with the broader systems of supports and to understand the purpose of the funded supports. Support Connection assists a participant to understand their NDIS plan, connect participants with broader systems of supports, and provide assistance to connect with providers. Support Connection will assist participants to achieve effective utilisation of their NDIS plan and answer questions as they arise. Support Connection also increases a participant's capacity to maintain (or in some cases change) support relationships, resolve service delivery issues, and participate independently in NDIA processes.

Support Connection includes, but is not limited to:

- Understand the Plan;
- Connect with Supports and Services;
- Establish Supports;
- Coach, Refine, Reflect; and
- Report to the NDIA.

SUPPORT COORDINATION – LEVEL 2

This support item strengthens a participant's ability to design and then build their supports with an emphasis on linking the broader systems of support across a complex service delivery environment. Coordination of Supports is to focus on supporting participants to direct their lives, not just their services, and is focussed on assisting participants to build and maintain a resilient network of formal and informal supports. This involves working together with the participant to understand the funding, identify what participants expect from services, and how participants want this designed. Coordination of Supports also includes coaching participants, and working with participants to develop capacity and resilience in their network.

Coordination of Supports includes, but is not limited to

- Understand the Plan;
- Connect with Supports and Services;
- Design Support Approaches;
- Establish Supports;
- Coach, Refine, Reflect;
- Targeted Support Coordination;
- Crisis: Planning, Prevention, Mitigation and Action;
- Build Capacity and Resilience; and
- Report to the NDIA.

DISABILITY HEALTH SUPPORT - NURSING

These Disability-Related Health Supports provide nursing care to respond to the disability related health needs of a participant where that care is not the usual responsibility of the health system. They have been temporarily duplicated into the Assistance with Daily Life Support Category so that participants can have greater access to these supports if they need them.

These support items can be delivered to individual participants subject to the rules set out in the NDIS Pricing Arrangements and Price Limits. In particular:

- The enrolled nurse support items should be used when the nurse who delivered the support would be classified as an Enrolled nurse under the Nurses Award 2020 (A.4) if they were classified under that Award. An enrolled nurse is a person who provides nursing care under the direct or indirect supervision of a registered nurse. They have completed the prescribed education preparation, and demonstrated competence to practice under the Health Practitioner Regulation National Law as an enrolled nurse in Australia. Enrolled nurses are accountable for their own practice and remain responsible to a registered nurse for the delegated care.
- The registered nurse support items should be used when the nurse who delivered the support would be classified as a Registered nurse – level 1 (RN1) under the Nurses Award 2020 (A.5.1) if they were classified under that Award. Under the Award, a registered nurse is a person who has completed the prescribed education preparation, demonstrates competence to practice, and is registered under the Health Practitioner Regulation National Law as a registered nurse in Australia.
