*Understanding and Using the Naglieri General Ability Tests*

The Naglieri tests (the NNAT series) have long been a standard in the field of ability testing. Amid the calls for equity and inclusion within gifted education, the new *Naglieri General Ability Tests: Verbal, Nonverbal and Quantitative* aim to meet that need. This companion, "Understanding and Using the Naglieri General Ability Tests," offers educators administering the tests or who have students taking the tests a guide to the *why, how, and what now*.

Split into three parts, the book "Understanding the Naglieri General Ability Tests" covers:

- Why is there is a need for these new ability tests for gifted identification?
- How these new tests and test data are used most effectively to identify gifted students from all racial, cultural, linguistic, and socioeconomic backgrounds?
- What educators can do now to create equity and inclusion within gifted programs and services.

SEE YOU ON APRIL 19, 2023 AT 7 PM EST

LANSDOWNE, PH.D.

## Join Us For a Q&A with the authors of the *Naglieri General Ability Tests*

We are pleased to invite you to a virtual event featuring the authors of the *Naglieri General Ability Tests*, Drs. Naglieri, Brulles, and Lansdowne. This event will include a Q&A session where the authors will discuss their groundbreaking new test. Attendees will have the chance to interact with the authors and ask questions about their work. To join us on April 19, 2023 at 7 p.m. EST please register by following the QR code above.

## Learn More about Gifted Education

*Gifted students need a “continuum of services”  
now more than ever*
