Over the past few weeks, we have been working on improving the content and features on our channel with the aim of providing you with updated resources about the *Naglieri General Ability Tests*.

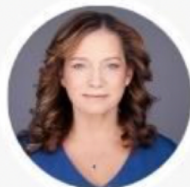

On April 19, 2023, we hosted our first Q&A with the authors of the *Naglieri General Ability Tests* and now this Q&A is now on our channel. In addition, we have curated a new series of videos called "Q&A Spotlight." This new series of videos highlights important topics about the *Naglieri General Ability Tests* created with your questions and feedback in mind. Stay tuned for this new content by subscribing to our channel. When you subscribe you will receive notifications when a new video is uploaded. This way you won't miss out on any of our latest content.

We are committed to providing you with high-quality content and features on our YouTube channel. We have more exciting content on the horizon. If you have any suggestions or feedback, we'd love to hear from you!

### **Q&A with the authors of the *Naglieri General Ability Tests***

We wanted to extend our appreciation to those of you who were able to attend our Q&A session on April 19. Your participation and thoughtful questions helped to make the event a success and inform future Q&A sessions. We hope that you found the session informative and that you gained some valuable insight. We appreciate your interest in the *Naglieri General Ability Tests* and hope you will continue to stay connected with us in the future. We are looking forward to another Q&A soon. Stay tuned!

#### ***Understanding and Using the Naglieri General Ability Tests: A Call for EQUITY in Gifted Education***

Designed for use with the *Naglieri General Ability Tests*, this companion guide helps you support students who have taken or will take the tests. Inside you'd find the why, how, and what now:

- Why there is a need for these new ability tests for gifted identification
- How these new tests and test data are used more effectively to identify diverse groups of gifted students
- What you can do now to create more equitable and inclusive gifted programs and services
