For a Q & A with the authors of the *Naglieri General Ability Tests*

We are pleased to invite you to an event featuring the authors of the *Naglieri General Ability Tests; Nonverbal, Verbal and Quantitative*, Drs. Naglieri, Brulles, and Lansdowne. This virtual event will include a Q&A session where the authors will discuss their groundbreaking new tests. Attendees will have the chance to interact with the authors and ask questions about their work.

**JACK A. NAGLIERI,
PH.D.**

**DINA BRULLES,
PH.D.**

**KIMBERLY
LANSDOWNE, PH.D.**

HOW TO REGISTER

To register for a Zoom webinar using a QR code or URL, follow these steps:

1. **QR Code:** If you have a QR code, use your smartphone's camera to scan it. Your phone should automatically recognize it as a Zoom registration link and open it in your browser.
2. **URL:** If you have a registration link or URL, open it in your web browser.
3. Once the registration page loads, enter the required information such as your name and email address.
4. Click on the "Register" or "Sign Up" button to complete your registration.
5. After you register, you should receive a confirmation email with the details of the webinar, including the date, time, and instructions for joining.

HELPFUL TIPS

Before the Q&A, make sure you have installed the Zoom app on your device, if necessary. You can download it from the Zoom website or your app store.

On the day of the webinar, use the link provided in the confirmation email to join the webinar. You can also join using the meeting ID and password, if provided.

That's it! You should now be able to join the Zoom webinar using the registration link provided to you.

WHAT'S COMING UP NEXT MONTH?

Thank you for subscribing for updates and news specific to the *Naglieri General Ability Tests*. Your next Monthly Minute, which focuses on the new companion book, *Understanding and Using the Naglieri General Ability Tests* published by Free Spirit Publishers, offers a deeper understanding of the new suite of tests. The companion book is geared towards educators administering the tests and towards teachers who have students taking the tests. It is a guide to the why, how, and what now of administering the tests, understanding and sharing the test results, and planning services and instruction for those newly identified gifted learners. See you next month!
