

**WE PROUDLY RECYCLE  
& RECOVER UP TO  
95%  
OF OUR BEAUTY WASTE**

**MAKE BEAUTY BEAUTIFUL**

[greencirclesalons.com](http://greencirclesalons.com)

# *This salon is now Certified Sustainable*

*Up to 95% of all its beauty waste is now being  
recovered and repurposed by Green Circle Salons.*

*Resources that were once considered waste  
materials such as hair, leftover hair color,  
foils, color tubes and aerosol cans are now  
being recycled.*

*This helps keep millions pounds  
of waste out of landfills  
each year.*

# FROM COLOR WASTE TO CLEAN

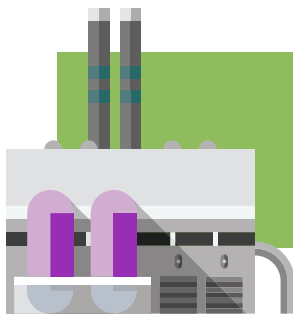

# THE HAIR COLOR JOURNEY

*This salon is Certified Sustainable!  
Now up to 95% of the beauty waste  
is recovered and repurposed.*

This salon sends its beauty waste, including leftover hair color, to be responsibly recycled

Green Circle Salons takes leftover hair color and turns it into:

## WATER

which is clean and ready for use

## CLEAN ENERGY

which is injected back into local power grids
