SAVE TIME – SAVE MONEY – SAVE BOOKING HASSEL

BUT MY DOG DOESN'T LIKE TO BE GROOMED!

Dogs that visit their groomer regularly actually bond with them! Grooming sessions are less painful because your groomer doesn't have to tend to painful matting left by sub-par home maintenance. No dog likes tangles!

GROOMING THAT OFTEN CAN'T BE GOOD!

The opposite is true. The products that we use cleanse away dirt, excessive sebaceous oil and add nutrients and oils back to the skin and coat leaving it in better condition than we found it! Bathing and massage also stimulate the skin and promote healthy skin cell growth!

DO I STILL GET EVERY 11TH GROOMING FREE?

NO! You will actually get every 9th grooming FREE by 6wk prebooking and a \$20 2023 HOLIDAY GIFT!

What's the catch?! It MUST benefit you!

NO CATCH and it benefits everyone, including your dog! Coming in more frequently means your Dog will actually like grooming more! Your dog's coat condition will be better and won't take so much effort to tend to, including tending to your dog's reactions to it. You also get to constantly enjoy a fresh pet and it's no more expensive!

WE ALL WIN!

WHAT IF I NEED TO MOVE AN APPOINTMENT?

NO PROBLEM! We would do our best to find you a suitable alternative within the week. We want this to be more convenient for you, never less!

*Based on a \$74 groom to demonstrate savings - savings still translate regardless of breed and cost of grooming services. Calculations take into account increased frequency of FREE GROOMS and your \$20 holiday gift.
