 Joe Coleman, Match Director
 04/11/26 – 04/12/26

We survived what we thought was going to be a wash out weekend. Hopefully everyone got some much needed rain at their house. At the range, we had showers on and off both days with 14 guns on the line along with our lever action friends. We only had one 40 which was the same person who won both SB and BB drawings - Congrats to Dave B. on both accounts. Mark down to join us for our next match on **May 9-10, 2026**. Thanks for everyone's continued support to keep our matches alive and happening.
