Burnet County Office Emergency Management

Burnet County CERT Executive Board Meeting

Agri-Life, 607 N Vandever St,
South Wing, Rm 13, Burnet, Tex.
June 8, 2023 - 1900 Hours

Corrected Minutes

Called to Order: 7:05pm by Chair Mary Jane Shanes

Old Business:

Minutes accepted as posted to website.

Officer's Reports:

James Reimer, Vice Chair:

BOPATE event in at Marble Falls – weights worked well on canopies. Talked to a potential new member from Hayes County who seemed very knowledgeable about CERT. Seven volunteers participated. County helped CERT by having tables and chairs out and having food there on time. Next one is in October.

Suggestion that law enforcement be asked to combine drug take back program with BOPATE events.

The HAMs will have a nationwide exercise June 23-25th at Inks Lake State Park. ARES is setting up a trailer and it is open to the public. HAMs will try to make contacts all over the world. Requested to put HAM event on CERT website.

Brenda Conn, Membership Chair:

Adding up hours from BOPATE, SkyWarn and training events planning meeting that Robyn, Jim, Brenda, and Derek had May 9, 2023.

Derek Marcchio, Emergency Management Coordinator: (EMC) Daniel Reyes was supposed to send information for a training on Using ISTAT before tonight's meeting. Since very little time to advertise it, may request it be pushed back and it also conflicts with Marble Falls Fire Departments (MFFD)'s CPR class at 5: 30 pm also on June 22.

Robyn Ritcher, Training Officer: At the July 13 General meeting, Vaughn Hamilton from MFEMS will conduct Intervening in Drug Overdose training (Using Narcan).

Robyn will try to do “Stop the Bleed” for small groups with Marble Falls EMS soon.

EMC Marchio: Planning continues for April 8, 2024, total eclipse in Burnet County and at Reveille Peak Ranch.

New Business: Next general meeting is July 13.
