Meeting**

**Agri-Life, 607 N Vandever St,
South Wing, Rm 13, Burnet, Tex.
March 14, 2024 - 1700 Hours**

Called to Order: 5:16 PM by Chair Mary Jane Shanes

Old Business:

Chair Shanes: The last general meeting was January 11, 2024. Minutes were approved as posted. Red Cross Shelter training was conducted on February 10 and February 17, 2024. Cribbing training was on March 9, 2024 – about 4 people attended and the firemen conducting the training did an excellent job.

New Business:

Emergency Management Coordinator (EMC) Derek Marchio: After the eclipse, expect to return to normal business. April 18 will be Public Information Officer (PIO) training. At the next meeting, he will have a list of local resources printed out of websites like ready.gov, LCRA, and weather radar sites. Tonight, March 14th is Skywarn training. The next BOPATE is April 20, 2024.

Training Coordinator Robin Ritcher: Fire Extinguisher training will be in Marble Falls at the volunteer fire/rescue building on May 18.

EMC Marchio: June is the next CERT Board of Directors (BOD) Meeting, July is the General membership meeting, and the next CERT Basic class, Class 13, is September – November. Robin will do more Stop the Bleed classes as needed.

Vice Chair James Reimer: The next BOPATE events are April 20 and October 19. **Logistics Toni Hauer** will handle sign-up sheets.

Discussion on sending out Eclipse Preparedness list and putting it on CERT website. Agreed that it should be sent to Webmaster Brown to put on website.

Discussion about emergency activation list and putting on a map. Toni suggested piggybacking off the list AERES already has. Discussion on getting members' permission to share list with warn central Texas notification system.

Next BOD meeting is June 13, 2024.
