## Burnet County Office Emergency Management

CERT General Meeting  
Virtual  
April 14, 2022 1900 Hours

**Call to Order:** 7:05 pm by MJ Shanes.

**Minutes:** MJ Shanes

Highlights were covered from the January 13, 2022 general meeting and March 10, 2022 officer's meeting. Minutes were approved as posted.

**Financial Report:** MJ Shanes

Report was given. Balance is \$171.95 after expenses paid.

**New Business:**

BOPATE is scheduled for Saturday, April 23, 2022. James Reimer has requested volunteers to serve food to the volunteers. In the past we have helped with traffic control, surveys, and handing out brochures. The hours worked help when we apply for grant money. It is a good way to be visible to the community. He will send out an email next week to the members who have volunteered.

**Officer's Reports:**

James Reimer, Vice-Chair: reported that Skywarn has not been scheduled due to the recent outbreak of bad weather.

Brenda Conn, Membership, reported 53 hours for last quarter.

Vee Brown, Webmaster, stated that financial information will not be available to the public.

Robyn Richter, Training Officer, stated that no dates have been scheduled for our next training class. She is looking at surgery shortly.

Jim Barho, EMC, is hoping to get a class scheduled soon. He believes we have a total of 7 applications. He has asked Jim Gallagher to get with Robyn to coordinate and come up with dates for the next class.

The CERT trailers have been moved to the Burnet Fire Department.

Paul Yuri with National Weather Service has been extremely busy with fires and tornadoes. Not sure when SkyWarn will be scheduled.
