Burnet County Office Emergency Management

Burnet County CERT General Meeting
Agri-Life, 607 N Vandever St,
Rm 13 Burnet, Tex.
July 11, 2024 --- 1900 Hours

Called to Order: 1900 by Chair Mary Jane Shanes

Minutes from January 11, 2024 General Meeting and Officer's Meetings from March 14 and June 12, 2024 were approved as posted.

Officer's Reports:

Chair Shanes: Since the last general meeting on January 11, 2024, there has been Cribbing training on March 9, Sky Warn on March 14, Officer's Meeting on March 14, BOPATE event on April 20, Fire Extinguisher training on May 18, and Officer's Meeting on June 12. General meetings scheduled for April 18, then rescheduled for May 9 were both cancelled due to weather concerns.

Vice-Chair James Reimer: Reminder of online ICS classes; there are some new versions. Send your certificate to Derek Marchio and a copy to Vee Brown

Membership, Brenda Conn: Reminder – if there is no sign in sheet, report your hours online through our website; if there is a sign in sheet, there is no need for you to report online.

Website, Vee Brown – Please report any website issues, if encountered.

Support Position, Jim Gallagher – Thank you to members who participated in the cribbing and fire extinguisher trainings.

Training, Robyn Richter – Looking to schedule training in August for Stop the Bleed. New training class is scheduled for Thursday evenings October 3 through November 14, 2024. In addition, we will add hands on, skills-based classes for 2 Saturdays to be determined. Instead of the end of class drill, plans are being made for an event featuring skills stations, maybe with team competitions. This would be open to all members so teams would be comprised of earlier class members as well as the current class. This class will focus on useful skills for you, your family, and neighbors. Not as much emphasis on mass casualty triage, cribbing or search and rescue.

CERT Executive Staff Report: Derek Marchio – He is considering having a tent at the Marble Falls Rodeo, July 19, to promote CERT. He welcomes volunteers to hand out flyers. Details to come.

Unfinished/Old Business: none

Adjourned @ 1935 hours

Training by EMC Marchio – Public Information Officer and Damage Assessment
