

Important Check-In Information & Tournament Guidelines

- **Wristbands:** Every player must wear an official tournament wristband to play. Failure to do so will result in a forfeit. Lost wristbands will NOT be replaced.
 - **Separate Wristbands:** Players must wear a separate wristband for each team they are registered with. Players may only play on one team per division.
 - **Check-In:** Players must properly check in to receive a wristband.
 - **ID Required:** Each player must present valid photo identification (e.g., Driver's License, player pass) that includes both a photo and date of birth.
 - **Matching Information:** The name and date of birth on the ID must match the team's official roster exactly.
 - **Proof of Registration:** Players must provide proof of registration with a **USASA-affiliated league** OR purchase a **3-Day Tournament Pass** for **\$11** to receive a wristband. SoktoberFest is a USASA sanctioned tournament.
 - **Roster Management:** Only the designated **TEAM MANAGER** can add or remove players from the roster. **The maximum roster size is 25 players.**
 - **Roster Changes:** Roster changes can still be made at the check-in tent **before your team's first game.**
 - **Roster Verification:** The **TEAM MANAGER** is responsible for verifying the roster before the first game.
 - **Frozen Roster:** All rosters are **frozen** once the team's first game kicks off. **No exceptions.**

Check-In & Tent Advisory

- We **highly recommend checking in on Friday night**, if possible, as Saturday morning tends to be very busy.
 - **Expect delays** Saturday morning if players are not listed on the roster or do not have their player passes.
-

No-Show Penalty

Teams that **no-show** for a game will forfeit the match and be disqualified from the remainder of the tournament. Additionally, the team and all rostered players will be **ineligible to participate in the tournament the following year.**

Cheating or Illegal Players

Teams found **cheating** or using **illegal players** (including players without the correct wristband or playing on the wrong team) will **forfeit the match** and be disqualified from the tournament.
