Dear TCC Families,

Are your kids ready for an amazing summer adventure? TCC is so thrilled to offer you a summer program filled with fun and educational age-appropriate experiences provided by our caring and loving staff and teachers. Each week we will have a great theme that will encourage the campers to engage in whole-body learning and critical thinking!

Every week will include fun arts & crafts, a special guest or activity, a Spanish class, and splash day! We're here to provide all the fun that summer has to offer, with additional learning experiences to help them continue the growth they have been working on all school year. Flexible scheduling options will allow parents to enroll their children for one week, or for all 7 weeks of summer camp.

We are so excited to open registration up for all our currently enrolled students aged 18 months (as of June 1st) and up. We will open enrollment to those outside of TCC on February 15th to fill any available spots so please make sure to fill out the enrollment form ASAP to hold your spot. Please for this link for the enrollment form to secure a spot for your child today.

The cost is \$200 a week for early enrollment from January 23rd until February 15th, all enrollment received after February 15th will cost \$250 a week. A non-refundable enrollment fee of \$50 dollars per week will be billed to you via brightwheel once we receive your enrollment form. This fee will hold your child's spot for the weeks you sign up for and be subtracted from the weekly tuition price. The remainder of the summer camp tuition will be billed to you at the beginning of the month. June 1st for all camp weeks in June, and July 1st for all camp weeks in July. We will not be able to offer refunds for canceled attendance as we staff the camp based on enrollment numbers we receive.

Below you will find the schedule for each session and the rate, please email Tiffany at tprimus91@outlook.com with any questions you may have.
