

Summer Camp 2026

We are so excited to announce that registration for TCC Summer Camp is now open to our currently enrolled students! Get ready for seven weeks of fun in the sun, exciting “adventures,” and challenging activities and experiences! This summer, we have chosen seven themes that are sure to keep our campers moving, engaged, and learning over the summer recess.

Here is some important information...

- Camp hours are 9:00am-2:00pm M-F. We do offer early care starting at 8:00am.
- All little campers must be at least two years old by their first week at camp.
- There will be three groups (twos, incoming threes, incoming pre-k and 2026 TCC graduates).
 - There is a non-refundable registration fee of \$50 per week of camp.
- Camp weekly tuition is \$275 per week and is non-refundable unless you find a family to fill your child’s spot for that week.
 - All registration forms will be published through Brightwheel.
