CORE COMPETENCIES

- **Defense Compliance eLearning:** 80+ course COTS catalog spanning FAR Mastery (30.5 CLPs), complete DFARS Tracks (48 CLPs), CMMC 2.0 / NIST SP 800-171 readiness, and Export Control (ITAR/EAR).
- **Private LMS Hosting & Content Management:** Turnkey training solutions for organizations without in-house LMS.
- **Custom SCORM Course Development:** Articulate Rise 360, LMS-ready, Section 508 / WCAG 2.1 AA compliant.
- **AI Upskilling & Prompt Engineering:** Six career pathway tracks, including an Ethical AI certificate pathway.

DIFFERENTIATORS

- **Risk-Mitigated Delivery:** Led by a certified PMP, PSM-II, and SAFe 6 Agilist. We guarantee strict scope control and 100% on-time milestone delivery.
- **Evidence-Based Adult Learning:** Directed by an M.Ed. in Instructional Design. Courseware is engineered for high cognitive retention and behavioral change.
- **Fiscal & Audit Readiness:** Managed by an M.B.A. executive. Every engagement is built for cost efficiency and rigorous contract performance tracking.
- **Security-Cleared Ownership:** 25% corporate ownership holds an active DoD TS/SCI security clearance, significantly lowering administrative onboarding friction for sensitive defense programs.

PAST PERFORMANCE & RELEVANT EXPERIENCE

Over 15 years of instructional design experience across corporate, defense-compliance, and K-12 special education environments.

- **Global Enterprise Training Deployment (PayPal):** Onboarded, trained, and upskilled 350+ global agents and cross-functional leaders across multiple international regions.
- **Enterprise L&D:** Curriculum architecture for Advanced Solutions International.
- **Commercial eLearning Catalog:** Developed and currently maintains a live catalog of 80+ specialized courses on the proprietary brazenlearning.com LMS.
