### BENEFITING

APRIL 22

## ABOUT THE CHARITIES

**Forging Forward** serves active duty and veteran military and first responders, and Gold Star Families. Services include 3-day Retreats, Remembrance Tags (dog tags of military combat veterans who died by suicide) - NEVER FORGET; The Body Shop, a program that assists a military veteran get or update a prosthetic; and comedy from the founder, Bobby Henline, to uplift spirits and demonstrate that with a good attitude, support from family and friends, and hope—anything is possible. Funds are used by the organization to re-secure humanity to increase social connectivity, gain new skills, increase knowledge and treatment of physical and mental health conditions related to stress and trauma, and provide supports that allow individuals and families to live a collective, fulfilling and dignified life.

**Harrington For Hope** serves children with burns, who were admitted to or treated by a burn center. Funds are used to provide a week of physical and emotional healing at Camp Hope. Harrington, a former lieutenant with the Cookeville Police Department, holds a special place in his heart for burn survivors, especially those who are children. In 2016, Harrington found himself fighting for his life after entering a burning home in an effort to save the lives of others. After an unexpected explosion in the home, the lieutenant spent one month

at the Vanderbilt Burn Center in Nashville being treated for his injuries. It was there that Harrington learned of Camp Hope and met Rebekah Lemley, a burn center nurse who also served as the camp's director. She noted the biggest struggle as camp director was funding. Harrington vowed he would make it a priority to help fund the camp.

**Heroes On A Mission** serves military veterans with disabilities and first responders via guided hunts for deer, turkey, wild boar, and bear. In 2023, a new service was added to serve children of active duty or military veterans, called Clubs4Kids. This program collects donated golf clubs and golf bags. The ultimate goal is to work with a golf course that will allow the nonprofit organization to provide free golf lessons to military children and teens (6-18 years) and provide a free or discounted rate for the youth to play golf.
