AFTER 'LONG-FOUGHT BATTLE' BY THE GRASSROOTS, TEXAS TO BECOME THE 21ST CONSTITUTIONAL CARRY STATE

[America's Citizen Press](#)

Austin, TX — The Texas Legislature just passed House Bill 1927, Constitutional Carry, and now the bill is on to Gov. Greg Abbott's desk for him to sign.

Governor Abbott has already indicated that he intends to sign HB 1927, and sources say that may happen as soon as tomorrow or Wednesday.

Texas will be the 21st Constitutional Carry state and the 5th this year alone. Five states in one year is a record, the previous being four in 2018. Utah, Montana, Iowa, and Tennessee all passed earlier this year.

Chris McNutt, the Executive Director of Texas Gun Rights, said, "This has been a long-fought battle, but I'm excited to say that Texas has finally joined the rest of pro-gun America by passing Constitutional Carry. Anti-gun Republicans have been dragging their feet for years, but now the pro-gun grassroots has dragged them into action."

A middle school art teacher in suburban Dallas was disciplined last week for approving a yearbook cover that featured references to Black Lives Matter, "I can't breathe" and "love is love."

Kayla Mick, who teaches at Downing Middle School, approved the artwork, which was chosen by eighth-grade students and is featured on the back cover of the school's yearbook, which was published last week.

GEORGIA GOVERNOR RESTRICTS SCHOOL MASK MANDATES

"As hospitalizations, cases, deaths, and percent positive tests all continue to decline—and with vaccinations on the rise—Georgians deserve to fully return to normal," Kemp said in a statement. "With safe and effective vaccines widely available and the public well-aware of all COVID-19 mitigation measures, mandates from state and local governments are no longer needed," he added.

Georgia Gov. Brian Kemp, a Republican, on Friday signed an executive order that restricts the state's public school districts from mandating masks.

DOCTORS, PARENTS SUE HHS OVER COVID-19 VACCINE EMERGENCY USE AUTHORIZATION IN CHILDREN UNDER 16

A number of doctors and parents have sued the U.S. Department of Health and Human Services (HHS) and its secretary, Xavier Becerra, in a federal court, seeking to prevent the expansion of the emergency use authorization (EUA) of COVID-19 vaccines from including children under 16 years old.

America's Frontline Doctors—a nonprofit organization—and parents filed a motion for a temporary restraining order in U.S. District Court for the Northern District of Alabama on May 19, saying “every plaintiff with children or patients in the target age group stands to be immediately and irreparably harmed by the extension.”

IOWA, ALABAMA GOVERNORS SIGN LAWS BANNING VACCINE PASSPORTS

[The Epoch Times](#)

Iowa Gov. Kim Reynolds and Alabama Gov. Kay Ivey have signed bills into law, joining other states that prohibit COVID-19 vaccine passports at the state level.

Ivey signed Senate Bill 267 (pdf) into law on May 24, while Reynolds signed House File 889 into law on May 20.

“Since the development of the COVID-19 vaccine, both Dr. Harris [the state health officer] and I have said that we would not mandate vaccines in the state of Alabama. I am supportive of a voluntary vaccine, and by signing this bill into law, I am only further solidifying that conviction,” Ivey said in a statement.

Reynolds said she “strongly oppose[s] vaccine passports” last month and that she would like to take legislative or executive action.

GOV. DESANTIS SCHOOLED A LEFT-WING REPORTER AND GOT A STANDING OVATION

[America's Citizen Press](#)

Florida Governor Ron DeSantis (R) absolutely schooled a left-wing reporter and received a standing ovation in response.

It's not clear whether the law will hold up in court due to 1st Amendment concerns, but it does make apparent the problems with social media censorship.

While taking questions during the press conference, a not-so-friendly reporter tried to tie the bill to Trump. DeSantis wasn't having it, and his response is perfect!

CREEPER IN CHIEF: BIDEN MAKES INCREDIBLY INAPPROPRIATE COMMENT TOWARDS LITTLE GIRL

[Americas' Citizen Press](#)

Creeper in Chief, President Joe Biden, made an incredibly inappropriate comment towards a little girl.

Biden says, “I'm especially honored to share the stage with Brittany and Jared and Nathan and Margaret Catherine. I love those barrettes in your hair. Man I'll tell you what, look at her she looks like she's 19 years old sitting there like a little lady with her legs crossed.”
