

GARMENT WASHING & CARE INSTRUCTIONS

Follow these instructions to help protect your custom Pennington Ink print.

The graphic features the Pennington Ink logo with a crown, a t-shirt being printed by a machine, and the text 'WASHING INSTRUCTIONS' in a bold, stylized font. Below this, four icons illustrate care instructions: a t-shirt with an upward arrow, a tumble dryer, a washing machine tub, and a crossed-out star. To the right is a 'Thank You!' message. At the bottom are the website and support email addresses, each preceded by a globe and envelope icon respectively.
