

DINOSAUR EXHIBIT SPONSORSHIP

Lake Square Mall Leesburg, FL July-Sept. 2025

The JURASSIC MALL EXHIBIT will provide a unique museum quality dinosaur experience created by Planet Earth Sculpture promoted by Sunshine Event Promotions. It's an exciting opportunity for kids and families to explore going back in time to Jurassic Era with over 80 pieces to experience from the feathered Avian Theropod line. We need financial support to create the exhibition room and provide interactive videos, Godzilla and Jurassic Park panel events with new unveilings every weekend. Sponsors will gain exposure through Lake Square Mall social media, websites, media partner LakeFront TV, Daily Commercial, radio, and marketing throughout the mall. You can support the Exhibit by choosing from several levels of sponsorships. All sponsors will get logo/website or individual name placement and recognition with their sponsored dinosaur. We expect this exhibition to be one of the biggest draws for Summer-Fall 2025. Our goal is to establish enough excitement for a larger permanent year-round not-for-profit museum location.
