This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work has commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

It is specifically understood by the applicant(s) that he (or they) are building in a basically agricultural community and that in light of that he (or they) agree that he (or they) recognize that there will be natural agricultural odors and dust from farm operations and he (or they) shall not attempt to hold the township or farm owners in the area responsible for the normal animal waste, silage, other farm odors and farm operations that my be in the area of their home.
