JULY 2023

OUR FIRST YEAR IS COMPLETE!

We have had a very successful first year as a PTA! We are still finding our feet and trying to figure out the best ways to communicate to parents however, we are so impressed with the support we have received from you all with donations and volunteering for discos ect.

We have even been able to donate money and items to school. We have helped towards activities for Story Teller Week, sent ice pops for all students during the warmer weather and cake for the teachers that were on flood clean up. We have also been able to end the year by donating £360 (£90 per class) for teachers to use to purchase items they may need or treat their own class.

We have had so much fun planning Disco's, Film Night, Non-uniform days, coffee mornings and Fun Days and we plan on making things bigger and better next year.

£1619

IN 22/23 WE HAVE DONATED TO SCHOOL
