### The Extended Scholarship Program

A limited number of extended scholarships are now available. The purpose of the extended scholarship program is to support our recipients in achieving their career goals if further assistance is needed beyond the original awards. Not all applicants will be granted extended scholarships. **NOTE: Only ONE extended scholarship can be awarded per person. Do not apply if you have already received an extended scholarship.**

The extended scholarship award is \$1500.00.

- It is made with proof of financial need in order to pursue continued enrollment in college/trade school.
- The payment will require evidence that the applicant has successfully completed the following:
  - A completed application for the extended scholarship grant
  - At least two terms of college, with a minimum of 18 units leading to a degree in the applicant's stated profession, and maintaining an overall 2.0 GPAOR
  - Successful progress in the vocational/trade program for which the applicant received the original scholarship
  - Proof of continued enrollment in the college or program

### How To Qualify For This Scholarship

All applicants must have received the first two installments of the regular scholarship program, must show progress toward their stated profession, and must demonstrate continued financial need to complete the vocational program for which they have been training.

### Application Package Instructions

1. Complete the application form.
2. Provide college **official** transcripts showing a minimum of 18 units completed leading to a degree in your stated profession with a total GPA of 2.0 or better. For those enrolled in a vocational program, you must verify your successful progress toward its completion.
3. Provide a career statement (approximately 100 words), stating how your post-high school training has affected your aspirations and career ambitions and how further financial assistance from the Hunter Foundation can help to bring these dreams to reality.
4. **Send all application materials to the Hunter Foundation at 13502 Whittier Blvd, Ste. H #342, Whittier, California 90605.** We review extended scholarship applications twice a year: in September and January. To qualify for consideration in September, applications must be received by August 15. To qualify for consideration in January, applications must be received by January 7.
