

MISSION 2020+ : GET (READY)³SRA
GET READY WITH THE POWER OF 3SR ACADEMY

BRAiN Child - 3SRC Newsletter

April-2019

Hello, Friends!

Starting this Quarter Newsletter by sharing of an experience while sleeping in a Train which was few miles away from the site of derailment which took place on 20th April before Kanpur. As I had boarded the train from the Kumbh Nagari Prayagraj with some lovely memories of finishing a C2C program for PG Students and celebrating with my school mate friend, getting blessings from some Senior Citizens was an opportunity I always wanted to enjoy. All this was so true in my dreams, when I woke up, the news of this survival came as a wakeup call, to increase the SPEED of doing good things and increasing the pace of my Success Mantra “Growing by Growing other to Grow...with Smiles”. This deep down in my heart touched the love of village school

children, which had kept us alive, to whom we have been making a difference, thru CSR initiative UDAAN.
