

CHANGE OF PLANS

What the fuck are we doing tonight

Drinks at my place

Maybe something light

Going hard all week

I'm drinking vodka and sprite

Shot of Aurdmore

To get me right

Now we're cooking

Call up Britney for the ice

And Fernan for Kahlua

Feeling kind of tired

A shot or two will do you

Hear my phone ring

Bless the day hallelujah

It's the right name

She's asking how I'm doing

I was feeling good

Now I'm feeling great

I was feeling good

Now I'm feeling great

Cause I saw your name

What else can I say

She said where we going

I said pick the place

Now we're flirting on the phone

And she's laughing

I just wanted to chill

Now I'm active

I couldn't even tell you how it happened

But I'm a fucking dog

When there's action

Uber's here

Everybody chug

20 minutes we're already in the club

Usher playing got us falling in love

Once they slow it down

I'm Curry with the dubs

switch it up

Now they're playing De la Ghetto

Whisper in her ear

Player shit keep it simple

Order her a drink

Then we dancing in the middle

I love the way she moves

Baila baila así te quiero

Mami

And I was feeling good

Now I'm feeling great

I was feeling good

Now I'm feeling great

It's the way she dance

What else can I say

When they kick us out

Uber to my place

I was feeling good

Now I'm feeling great

I was feeling good

Now I'm feeling great

She unzips my pants

And I grab her waist

First I liked her smell

Now I love her taste

Made all the right moves

Now we're cruising

She stays over at the crib

Watching movies

Making plans for next month

Feeling stupid

I already feel the panic

Going through me

Been a long few years

I forgot how this feels

Gotta get my shit together man

Cause I'm getting ideas

This will end up in tears

And I haven't even text her today

Week goes by. We're both MIA

Shit was fly. Now it's DOA

6 months later she won't even say hey

That's crazy

I was feeling good

Shit was going great

I was feeling good

Shit was going great

But I fucked it up

What else can I say

Tales of a vain man

Scared of monogamy

I was feeling good

Shit was going great

I was feeling good

Shit was going great

But I fucked it up

What else can I say

Overthink now

You'll be alone later
