Corporate Sponsorship

Introduction

Seeds of Love Ministries, Inc. (Fundación Semillas De Amor, Inc.) is a vital and faith-based 501(c)3 nonprofit organization located in Ocala, Florida. Our organization aims to assist local families in every walk of life, whether that be physical, emotional, or spiritual. Seeds of Love has made it our mission to fulfill our community's needs and offer hope for a better future, with no shame or judgement. Our services are available for everyone, and are not limited to our current programs. If you need help, we will find a way.

About Us

Since founding in 2014, Seeds of Love Ministries has supported thousands of families and individuals in Central Florida. Our committed and longstanding team has worked tirelessly to provide our community with basic needs, like groceries, clothing, health insurance, childcare, counselling, spiritual guidance, and more.

Currently, our organization has four main programmatic focuses, which include Clothing, Food, Health, and Childcare. Our connections with His Compassion Food Pantry allow us to regularly provide groceries to families in need and keep food on the table. Drive thru Food Drives are held consistently, with our most recent in the city of Bushnell allowing us to serve over 200 families. Similarly, Clothing Drives are conducted and are available for every person and every age – whether you are getting ready for the first day of school, or first day of work, we can help!

We are also certified with Marketplace Insurance and work with Freedom Clinic to help with health insurance when you and your family need it the most.

Seeds of Love Ministries is a rapidly growing organization, and in order to sustain our need, we are asking for community support in our journey to meet our goals and to continue to provide a much-needed service to our community.

Funding will be used for our family community events, like our annual Christmas event, where we were able to celebrate the season with over 48 families. It was our 4th time hosting, and free meals, presents, prayers, and games were provided to the community. We have found these events to be largely beneficial to the participating families and would love your support in the future so that we may continue to host them.
