Question	Response
1. What is the best thing the instructor did to help you learn, and what should the instructor improve in this course?	class assessments and discussions
2. What is the best thing the instructor did to help you learn, and what should the instructor improve in this course?	He is really a knowledgeable instructor. He used to give class work after each lecture that helps us revising the course. He can organize us for a food industry visit to get exposure on how it operates.
3. With reference to technology, tutorial support, and the prerequisite for this course, if applicable, what changes would you suggest to the University to make this a better course?	University can issue guideline regarding some field visit as part of the course.
4. What is the best thing the instructor did to help you learn, and what should the instructor improve in this course?	The instructor is well aware of all subject matter. The classroom exercise discussion is very good. We also got a certification for a 4 week course that can be very helpful for our career.
5. With reference to technology, tutorial support, and the prerequisite for this course, if applicable, what changes would you suggest to the University to make this a better course?	The university needs to set the temperature for the classrooms right. Also due to the band practice the class is somehow disturbed. I wish the university could help troubleshoot these issues.
6. What is the best thing the instructor did to help you learn, and what should the instructor improve in this course?	He puts a lot of effort.
7. With reference to technology, tutorial support, and the prerequisite for this course, if applicable, what changes would you suggest to the University to make this a better course?	Air conditioning of the Class room is very bad. Its either very cold or its hot.
8. What is the best thing the instructor did to help you learn, and what should the instructor improve in this course?	Mention Certification.... Keep it the same
9. With reference to technology, tutorial support, and the prerequisite for this course, if applicable, what changes would you suggest to the University to make this a better course?	Keep it the same
10. What is the best thing the instructor did to help you learn, and what should the instructor improve in this course?	Study guides were a great additive to the course. overall extensive knowledge you gain from this course is incredible. You will take with you and what you learn. Improve: It would be nice to have maybe a small break during the lecture series. Maybe 5-10 minutes it gets difficult to focus going the whole lecture.
