**Public Health & FSMA Preventive Control for Qualified Individual (PC QI) Workshop
March 1 to 3 2022, Lead Instructor: Dr. Aliyar Cyrus Fouladkhah* February 22, 2022**

Dear participants,

It is my pleasure to welcome you to our 2022 food safety and public health certification workshop. During this multiday event, in addition to information from the public health microbiology program in Nashville, I will cover the FSPCA curriculum, currently recognized as adequate by one of the leading food safety regulatory institutions in the United States for Food Safety Modernization Act (FSMA) Preventive Control for Qualified Individuals (PC QI) training. This workshop will be held in person for the industry, academia, and NGO members of the Ebony Park in Kingston/Clarendon Jamaica. Due to ongoing national and global respiratory pandemic/endemic participants are requested to adhere to public health guidelines including wearing high-quality masks and practicing social distancing to minimize the risk of respiratory disease transmission.

In-person participants are expected on March 1 to 3 2022, during the below-mentioned times. We will additionally hold optional meetings on March 4, 2022 for further specific and one-by-one discussions/consultation about food safety and public health practices for each entrepreneur. Below please find the tentative agenda for the meeting. You could also access the survey weblink and QR code that you could use for providing feedback to the instructor at the end of the workshop. I hope you find this important and timely workshop of assistance for further improving the safety of your operation and meeting and exceeding the regulatory requirements for national and global commerce while ensuring the public's health.

If you have any question about the workshop, please take the liberty in contacting me at +1(970) 690-7392 or via email (aliyar.fouladkhah@aya.yale.edu).

Best wishes,

Aliyar Fouladkhah, PhD, MS, MPH, MACE, CFS, CPS
Associate Professor, Tennessee State University
Faculty Director, Public Health Microbiology Laboratory
Founding Director, Public Health Microbiology Foundation
Yale School of Public Health Alumnus

**Funding support from the National Institute of Food and Agriculture and Public Health Microbiology program is gratefully acknowledged.*

Q3 - How satisfied are you for attending this workshop: 0=Not satisfied at all;

100=extremely satisfied

#	Field	Minimum	Maximum	Mean	Std Deviation	Variance	Count
1	My instructor is knowledgeable of the subject matter.	94.00	100.00	97.82	2.52	6.33	11
2	My instructor communicated effectively.	71.00	100.00	95.91	8.15	66.45	11
3	My instructor stimulated my interest in the subject.	62.00	100.00	89.64	14.64	214.23	11
4	My instructor answered questions thoroughly.	83.00	100.00	96.09	5.07	25.72	11
5	My instructor treated all students with respect.	89.00	100.00	98.55	3.23	10.43	11
6	I would recommend this instructor to my friends.	93.00	100.00	98.91	2.35	5.54	11
7	My knowledge of the subject increased as a result of this workshop.	87.00	100.00	96.45	4.98	24.79	11
8	This workshop made a significant contribution to my career.	83.00	100.00	96.91	5.07	25.72	11

Q4 - Please share any information or feedback you would like with the instructor about your experience in this workshop:

Please share any information or feedback you would like with the instructor...

I would like him to know that he is socially aware, customer focused and displays overall competence in SEL competences. His expertise is well appreciated.

It was very informative and easy to understand.

Great workshop and very relevant training

I really appreciated the training to the max.

Good

Very effective and interactive workshop

Very good but would really like more of this

It was a thorough and interesting workshop
