Dear Aliyar!

Congratulations on being recognized by the Volunteer Section IFT with the **Section Service Award!** All IFT Sections had the opportunity to honor a current section member who has exemplified a history of service to the section or field and your Section chose you!

As the Section Service awardee, your name will be listed in the Hall of Honor at IFT First, in the August 2022 Section Leader Update and be recognized on the IFT website [Section Recognition - IFT.org](http://ift.org/Section-Recognition). In addition, you will be provided with a virtual badge on your profile in IFT Connect.

Thank you for all you do on behalf of IFT! Volunteers truly are the lifeblood of our organization – and we couldn't be IFT without you. We look forward to continuing to work with you and your section leadership.

Sincerely,

IFT Section Staff Team  
Amy Clarke Sievers, Director, Membership Experiences  
Kate Dockins, Senior Vice President, Membership Experiences
