INTRODUCING THE

Traveling Pant

The result of years of design iterations... we've finally made the perfect cute, comfy, polished, flattering pants. We are thrilled to unveil this new style in FOUR colorways this fall.

The Traveling Pant is named after the (classic) movie: Sisterhood of the Traveling Pants. When we received the samples of these pants into Duffield Lane HQ not only did they (magically?) fit everyone, but they looked GREAT on them too! Super stretchy, with a flattering kick flare, these pull on pants are the perfect blend of polish and comfort.
