2/15 DELIVERY

## 2.15 RETRO REVIVAL

A nostalgia for the 1970s. "What comes around, goes around." This was an era that served as inspiration and innovation for this delivery. The modern twist here is created by mixing utilitarian detailing with 1970's fashion styling. We love the utilitarian pockets on the Pamela straight midi skirt, cropped wide leg trouser and cropped casual jacket, all in a light Stretch Twill fabrication. This Pamela set is all in Ecru because we love a monochromatic look! The Tyla cropped jacket with crochet detail pairs beautifully with the Dia Plated Short – a very light set for warmer weather. Creating an exquisite graphic pattern on a very neutral palette of Ecru, Raffia and White are the Stripe & Art print on the Yesenia Roll Tab Utility Shirt, Lorenzo Midi Handkerchief Skirt and the Light Layering effect on the Brielle Tissue Weight Linen double-layer sweater. The Denim Hayes pant and Tess pencil skirt are decorated by retro-inspired details like a braided decoration at the waist and self-fringe inserts. We cannot get enough of the denim-on-denim look when pairing these pieces with the cropped Thea crochet denim trucker jacket. This look is unmistakably distinctive, yet easy, making a balanced statement.

## 3/15 DELIVERY

### **3.15 ARTICTIC GARDEN**

Continuing the nostalgia for the 1970s, the 3.15 delivery further explores the era's influence in a contemporary way. The integration of 1970's fashion styling with modern utilitarian elements brings a unique and innovative perspective to the collection. We love the new Garment Dye Linen Shirting – a perfect light layer for the Erin west utility cropped denim pant, and the long Hammered Silk-Touch Satin slip dress with an off-the-shoulder Tie Dye Linen sweater. The Zena Drawstring Trouser and Authentic Bleached Blue Premium Denim jeans are paired with decorated top with very unique feminine details, an Eyelet Sleeve t-shirt, twisted asymmetric Satin Jersey top. We love the contrast styling for a Lyssé look that captures effortless, casual femininity.
