A note about fees from the Pacific NW Scent Work Club & GCCKC. Greater Clark County Kennel Club was the first to offer AKC Scent Work Trials in America! That was almost five years ago. We know so much more about the effort and space required for a quality all breed and all element scent work trial than back then, but the fees have stayed the same. Just as everything else is going up since the pandemic, it's time to raise fees for our scent work trials or start offering less. So yes, it's going to cost a bit more for our events. But because we have, we are able to offer a more convenient and hopefully warmer staging area for everyone and well qualified friendly judges. Thank you for your continued support of our event.

Exhibitors MUST check-in for each trial in which they are entered. *Times listed are approximate and may change after entries close or on the day of trial. Check schedule included with your entry confirmation to be sure.*

CLASSIFICATIONS

Novice A Classes are open to dogs who have not completed any title for that particular element, who have not completed a comparable title with another organization, and whose handlers are neither Scent Work judges, nor have ever worked as professional detection dog handlers.

Novice B Classes are open to all dogs.

Advanced Classes are open to dogs who have achieved the Novice title for that particular element.

Excellent Classes are open to dogs who have achieved the Advanced title for that particular element.

Master Classes are open to dogs that have achieved the Excellent title for that particular element.

Detective class is open to dogs who have achieved a Master title in any Odor Element.

Handler Discrimination classes are titling classes in which the targeted scent is that of the handlers themselves. Handlers are required to provide their own scented articles in a plastic bag. For the Novice class, one cotton glove or cotton sock, for Advanced, Excellent, and Master, cotton balls or cotton swabs. Three qualifying scores are required to earn titles in each class. Handlers may utilize any method to scent their article except by applying oils used for Odor elements. Suggestions include rubbing the article on the handler's body or storing the item in dirty laundry.

Dogs may enter up to two (2) difficulty levels in each element, in each trial. Dogs may only enter a class once in each event. A class is defined as a particular difficulty level within a particular element, *For example, a dog may run in both Novice B and Advanced Interior in the same trial, but may not run in Novice Interior twice in the same trial.* **Dogs may only enter classes** for which they are eligible according to the above guidelines. Dogs that have previously earned the same or higher level AKC Scent Work titles may also enter lower level classes.

DOGS ELIGIBLE TO ENTER

This trial is open to all dogs SIX (6) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number or approved Foundation Stock Service (FSS) breeds are eligible to participate. Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete.

Dogs with physical challenges Dogs with physical challenges (including amputees) are eligible to participate provided that, in the opinion of the judge, they display no signs of physical discomfort and can safely complete the search. Dogs with bandages, sutures, or visible wounds are not eligible. Deaf dogs and blind dogs are allowed to enter. Dogs that are both deaf and blind are able to participate so long as the handler is in control of the dog at all times, the dog can complete the requirements of the class, and the dog does not appear to be under undue stress in the opinion of the judge. (Chapter 2, Section 3 of the Scent Work Regulations).

STAGING AREA, HANDLER BRIEFING, WARM-UP INFORMATION

Staging Area will be in South Hall 1. You will be able to set up in the designated area Friday after 4 pm. Check-in, Transfers, and briefings will all start here. There will be more details in the judging program.

A **Handlers Briefing** will be a group briefing prior to the start of each day's judging in the staging area and will include a walkthrough of the search areas. Judge will also brief you as you enter the search area.

Warm-up Area One labeled container per target odor being used in the trial on that day will be placed in the staging area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. The warm-up area is not for training or relieving of the dog. (Chapter 5, Section 34 of the Scent Work Regulations).
