Course Descriptions

Most courses run for six lessons

- ❖ **Start Right** is the foundation for all of our courses. You will learn the skills necessary for a lifetime of teaching your dog using positive reinforcement (clicker training). Your dog will learn how to learn with positive reinforcement, to come, settle on a mat, walk politely, greet people and dogs politely, even when distracted. From the dog's point of view, learning the clicker way is a game to play with you. **Puppies may earn STAR Puppy certificate from AKC by completing this course.**
- ❖ **Orientation** is just for you, the owner, to learn the skills needed to be successful using the clicker technique. It is done without your dog to we can give you a head start on your dog's learning. All family members involved in training the dog are welcome to attend. (talk to us before bringing children under 10).
- ❖ **Foundation to Dog Sports** continue building reliable skills from Start Right such as come, stay, on and off lead walking while increasing distance, duration, and distraction. Learn fun tricks, games and foundation skills for any dog sport. Start learning Seishin Inu. **Intermediate Dog Sports** – build the skills to certify your dog as a Canine Good Citizen, pet therapy, learn tricks and prepare for rally and novice obedience competition, introduction to agility behaviors for fun. **Advanced Dog Sports** – Continue building skills in more distracting environments for all types of dog sports and living situations. Each 8 week session has different theme. Instructor permission required for Intermediate & Advanced classes as they are almost always full.
- ❖ **Zoom to Zen** uses operant and classical conditioning to teach your dog to relax and build the strong training bond needed for precise, controlled movement together.
- ❖ **Nosework** learn work as a team with your dog to locate unusual odors using your dog's scenting ability. Great confidence builder and brainwork for your dog. May include introduction to live rats for barn hunt!
- ❖ **Tricks** based on the Do More With Your Dog program, fun for you, fun for your dog, Earn AKC Trick Dog Titles!
- ❖ **Flyball with Animal House! Salem's own team** – great fun, great exercise! Tall dogs needed!
