Thank you for joining My Dog's Gym. You may purchase a package of individual lessons for a specific course without becoming a member.

**Course** means a block of lessons (slots) on a specific topic, usually set up for consecutive weeks. If you are unable to attend a lesson in the series, there is **no make-up** unless you request it prior to the lesson period and the instructor agrees to put you in an alternate available lesson period.

**When Payment is due.** Payment is due before the start of each course you register to take. Space in any course, practice, seminar or other activity will not be reserved until payment is received.

## Terms of Membership

A Membership package gives you access to courses offered by Gym instructors for which you and your dog meet the pre-requisites and there is space available in the lesson.

**Dogs** must be in good health, physically sound and protected from disease. Each dog must be under the routine care of a veterinarian and current on vaccinations recommended by that veterinarian.

**Children** Any child participating in Gym activities should be old enough to listen to, understand and follow instructions. Any handler aged 8 to 17 participating in any course or gym program must have a parent or responsible adult in attendance during class. One adult over 18 years of age must be the primary handler in

class. Spouses or children aged 8 to 17 may assist the primary handler. At our discretion, a handler younger than 18 may be designated the primary handler, but a parent or guardian must still be present.

Children under 8 years of age must be accompanied by a non-participating adult at all times while at My Dogs Gym & Training Centre. There must be one adult for each child under 8. We do not provide childcare services. Children may not be left unattended in your vehicle at any time while at My Dogs Gym & Training Centre. Please make other arrangements for childcare.

**Cancellation and refund provisions** If cancelled before pass period begins, full refund less \$25 handling fee. If canceled after orientation class, but before first lesson, full refund less \$50. No refund will be given after 25% of the pass period has elapsed, whether or not member has attended Gym programs. When you register for a course, a slot is reserved for you in each session of the class. If you do not attend a session, you will be charged for it unless you arrange beforehand to be absent and we have an alternative slot available for you to attend.

**Expulsion** We want each of our students, members, and participants to enjoy their time in the Gym. But sometimes, the instructor, owner, or employee of My Dogs Gym & Training Centre **may ask you or your dog to leave** a class session, or an entire course program for your safety, your dog's safety, or the safety of others. This may include asking you to leave the premises entirely. If we ask you to leave, we will refund the unused portion of your course fees or gym pass in accordance with the refund and cancellation policy then in effect.
