How to Find Us

Our temporary location is a residence, 1265 Summer St NE, Salem, 97301

From Market Street: turn onto Winter Street (toward Grant School), go one block and turn right onto Gaines St. Turn right into the alley and park on your right in the Seeds of Faith Church parking lot.

Walk across alley to the pink garage that will be open to receive you! Come in without your dog first to set up as directed by the instructor.

You can exercise your dog in the yard after after going through the first garage. Please pick up after your dog! Supplies are next to the garage door.

Please dress in layers – the two attached garages we’re using are pretty much unheated, but well protected.
