

Dear Potential Orchestra Member,

Already it is an Old Home Week year! And once again Community Worship Services are being planned under the direction of Dave Besecker for Sunday, August 7, 2022 at 4:00 PM and 6:45 PM and will include Adult Choir, Orchestra, and Creative Arts. We, the Old Home Week Community Worship Committee, personally invite you to be a part of the Orchestra and share your talents by playing the (list instrument) for this very special community event! All of your music will be provided in advance.

The complete Rehearsal and Performance Schedule is attached or see below. If you agree to play, we expect that you will attend all of the rehearsals and performances. You are a piece of the whole puzzle and everyone is counting on you to be there to make the puzzle complete.

Also, we are requesting that you volunteer your time and talents for this event. The Old Home Week Association is not overflowing with cash. If volunteering is not possible, please indicate that with your response, and a stipend of approximately \$150 will be given to you the day of the performances.

Please RSVP to this email as soon as possible whether or not you can play! Also, please indicate if you will volunteer your time and talent or require a stipend. Please do not hesitate to forward any questions you may have to me!

Thank you in advance for your response! I look forward to hearing from you soon.

Sandra Wingert
on behalf of the Old Home Week Community Worship Committee
