

Global Community Enrichment, LLC is passionate about helping you **align** every aspect of your business. Without a plan, nothing happens. Once you have a plan for the organization, you need to inspire and ready your leaders to rudder the ship. And finally, you must align your talent to the task. We can help you with all three and provide you with the road map, the coaching and the training to ensure success.

We are not your traditional consulting company. Global Community Enrichment boasts the best and the brightest people you can find in the industry. Our partners are seasoned consultants with strong backgrounds in organizational development, training, instructional design and development, desktop publishing and coaching.
