

CHAMPAGNE

A. de Choiseul

by Champagne Vollereaux

BRUT ROSÉ

100 % Pinot Noir / "à la saignée"

Sugar Content : 10g/l - Aging time on lees : 3 years

The effervescence is fine and persistent, creating a beautiful mousse on the surface. The robe has an intense raspberry color, slightly tiled.

Our Rosé has a nose of red berries and crushed strawberry.

After aeration, the nose reveals greedier notes, evoking pastries and vanilla aromas.

In a suave and greedy structure, the mouth is full and bodied as aromas persist to give a very long finish.

This Rosé champagne of great roundness and subtly sweetened by notes of red berries, will perfectly go with macarons.

When Tradition Meets Excellence
