 Anyone, but you!
 You know all truth, hidden or open

The castles once filled with glory
 Are now deserted
 Many with big names,
 have become nameless
 Time did not leave

 It will clear me completely too.
 Death is real. For everyone.

AL-JABBAR: The Compellor, The Restorer

You created me.
 As easily as You created
 all that is in the Heavens
 and the earth.

 and I make my submission,
 exclusive for You.
 All praise belongs to You.
 The Lord of all worlds!

Nor can I match the mountains in height.

الْحَافِضُ

Al-Khafid: The Humbler, The One who Softens

Were we created by nothing?
Nothing can not produce something!
Did we create ourselves?

Indeed, there is THE CREATOR!

الْخَالِقُ

AL-KHALIQ: The Creator

I look at the sky, up so high

How great would be THE ONE who created them!

الْخَالِقُ

AL-KHALIQ: The Creator

Enlightenment must come
little by little
Otherwise it might overwhelm!

The Earth needs
The Sun for its light
It is as obvious as the day!
My heart needs Your light too
The Light from You,
The Light from Your Word.
The Light of Peace,
The Light of Life,
The Light of Victory.

الظَّاهِرُ

AZ-ZAHIR: The Manifest, The All Victorious

If You had no intention
to bestow upon me
from Your oceans of grace,
You wouldn't have enlightened me
on the method
of begging from You!

ذُو الْجَلَالِ وَالْإِكْرَامِ

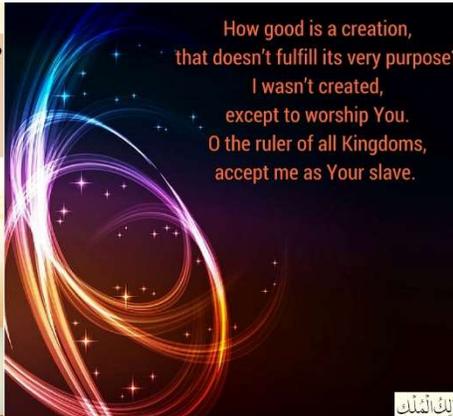

Dhu-al-Jalaliwa-al-Ikram: Lord of Majesty & Generosity

Why do I keep falling in love with you over and over again?
Why do I never tire of listening to what you have to say?
Why do I long to see you every moment of every day?
My heart has a heart of its own, O Maalik of my heart!

AL-MAALIK: The Absolute Ruler

How good is a creation,
that doesn't fulfill its very purpose?
I wasn't created,
except to worship You.
O the ruler of all Kingdoms,
accept me as Your slave.

MALIK-AL-MULK: The Owner of All Sovereignty

How can I be pure, until my heart isn't pure?
Even Iblees knew very well the rites of wudu!
Grant me what I keep ruining for myself.
No one can purify me, except THE PURE!

AL-QUDDUS: The Most Holy, The Most Pure

The most delicate care
that I did absolutely nothing to deserve...
Like a mother's womb
that gives without the need for anything in return!

AR-RAHMAN: The Exceedingly Merciful
AR-RAHEEM: The Forever Merciful
