

HEALTH AND WELL-BEING EDUCATION FINANCIAL STABILITY

The Nacogdoches Area United Way (NAUW) is a volunteer organization that supports and funds programs that address three essential impact areas: health and well-being, education, and financial stability. NAUW serves Nacogdoches, Shelby, and San Augustine Counties.

The work of Nacogdoches Area United Way is supported through annual Workplace Campaigns, community fundraising events, corporate contributions, and personal donations.

Why Should You Give?

We are local:

99 cents of every dollar raised here stays here.

We are efficient:

Local volunteers raise and allocate the funds, promising that every dollar is spent wisely.

We are accountable:

Funded programs are accountable to us and must achieve measurable results. Annual audits of United Way are conducted.

We get results:

The amount of money raised and distributed is not the only measure of results that matters -- Lives are improved in the Nacogdoches Area every day.
