Breeding Agreement:

An \$1100 service fee is required to validate the breeding contract and is due prior to shipment of any semen. Incomplete contracts are not validated until all the information is supplied and payment has been made. Registries require complete information for any foal to be registered. This contract includes a "live foal guarantee" valid on this shipment only after veterinarian confirmation of pregnancy. If the breeding fails to produce a single live foal that can stand up alone and nurse unassisted within 24 hours of birth, an additional breeding will be provided in the 2025 or 2026 breeding season.

Send signed contract and check made payable to Five Filly Farm located at 15205 Ramah Church Rd, Huntersville NC 28078/ 980-585-7435. We also accept Venmo and Zelle electronic payments.

Collection, Shipping and Handling:

Five Filly Farm LLC is not responsible for lost, delayed, or damaged semen during transport.

All Fresh Cooled collections charge a \$275 collection fee plus overnight shipping charges. Shipping containers must be returned or a \$40 fee will be charged.

Frozen Semen will be shipped from Rood & Riddle in Kentucky. Shipping & container charges apply.

Fresh Collections occur Mon, Wed, Fri. Please reference attached instructions to order Fresh Chilled Semen.

Overnight shipping orders must be placed by 7PM EST the day PRIOR for Fresh shipments. Frozen orders will be coordinated through Rood & Riddle.

IN THE EVENT THE STALLION IS UNFIT TO BREED OR DIES:

In the event of the stallion's death, infertility, or unfitness for breeding, the service fee, if paid, will be refunded. In the event of the death of the mare, the mare owner may opt to breed to a substitute mare upon review and approval by Five Filly Farm LLC.

Semen Usage:

Use of the semen dose is limited to the mare covered by this contract (listed above). A breeding certificate application will be provided. It is the mare owner's responsibility to complete and submit to the KNN for registration.

Breeding Method:

- ☐ Artificial Insemination with Frozen Semen
- ☐ Artificial Insemination with Fresh Cooled Semen

This breeding contract includes one dose of semen. Frozen dose consists of 8 straws. Breeding is permitted to one mare ONLY. A substitution mare can be approved in writing upon request.

Frozen shipments: All shipments are subject to adhere to Rood & Riddle required shipping procedures. Please note Rood & Riddle requires 24hr notice for frozen semen from FFF and mare owner. It is recommended to order early and store, if possible, to ensure the availability of dry shipping containers. A request can be made via email at repro@roodandriddle.com or by calling 1-859-280-3416 (Adrianna or Clara). Shipping costs average \$500-\$600 but could be more for international destinations. Mare owner will be required to return shipping container within 7 days of receipt. Additional steps made be required by Rood & Riddle.

Breeding Certificate & Foal Registration:

The KNN requires all stallion breedings to be reported within 14 days of the event. The cost is \$70. The breeding certificate is attached. It is the mare's responsibility to complete and return the completed form (complete all mare sections and cover section) to Five Filly Farm for submission (email kdonovan@questnc.com). Please complete and return along with payment. FFF will not submit the form without receipt of \$70 payment. This step is required in order to register the foal upon birth. Foal registration from this breeding is the responsibility of the mare owner.

By signing this agreement, the mare owner agrees to any and all terms of the contract. Mare owner further agrees to submit photos of live foals upon birth. Mare owner also expressly permits the release and grants use of any and all photos of foals sired by Five Filly Farm breedings for future marketing, social media and website use as deemed necessary by Five Filly Farm.

We are excited to be a part of building your herd! We love our stallions and know you will be very happy with the quality, temperament and athletic ability they bring to your future foal.
