Please give this information sheet to your Veterinarian or to the Mare Manager

BREEDING SEASON INFO:

- 1) When your mare begins cycling, please call 240-446-8969 to be put on a “tentative” shipping list so I’ll know approximately how many mares we may be shipping to on a certain date. We ship on a first ordered, first shipped basis.
- 2) It is very important your vet knows our M/W/F shipping days and our cutoff time for ordering is 7PM EST the day before shipping (so that means you must call on Sunday, Tuesday or Thursday to order a shipment)

PLEASE HAVE YOUR MARE CHECKED THE DAY BEFORE SHIPPING DAY.
As soon as you know you need a shipment, call me to put your mare on the list. If I don’t answer, leave a message and I’ll call you right back. 240-446-8969

- 3) You have until 8 AM EST on the day of collection to confirm that you do need the shipment.
- 4) Please make sure to have your FedEx shipping address ready when you call to place your order for a shipment. Shipments sent on Friday will need to go to a FedEx address that has Saturday delivery. It is the breeders/vet’s responsibility to make sure it has Saturday Delivery availability.
- 5) We are not offering counter to counter shipping this year.
