Retail Price Guide

March

Prices Inclusive Of V.A.T.

Welcome

Looking for bathroom inspiration? Then look no further! We have an extensive range of baths, bathroom furniture, showers & shower enclosures, sanitaryware and taps.

For that finishing touch we have a great choice of mirrors, cabinets and bath panels.

Our highly experienced and knowledgeable sales team are waiting to help you.

We work closely with leading manufacturers to ensure you have the latest designs and materials with new water saving technology.

Please note that prices are in sterling and include VAT at 20% and are subject to change without notice.

In the event that there is a pricing error in this price book, we will not be bound to honour any orders at that price.

For full Terms & Conditions please refer to Page 290.

Cadence

Furniture Collection

Cadence
Oxford Blue

Sophistication made simple. A clean and refreshingly uncomplicated design, Cadence's angular form perfectly captures understated style. Choose from an extensive collection that includes six sizes in four finishes with a host of handle choices and in-drawer lighting & storage options.

Create Your Bespoke Cadence Bathroom

Designed to offer you complete design flexibility, our Cadence collection is customisable, allowing you to create a configuration as unique as your home. Choose your unit size, select your choice of basin & pick from an array of contemporary finishes & coordinating handles.

Follow the steps below to bring a singular touch to your bathroom scheme.

01

Select the size of your basin

Take stock of the size of your bathroom, considering floor space and unit placement.

If space is tight, you might benefit from a smaller wall-hung option or even a compact cloakroom option.

There are four wall mounted options in 500, 600, 800 and 1200mm widths as well as a 500mm freestanding unit.

For a smaller cloakroom or en-suite solution we have a 400mm wide unit, which will fit perfectly.

04

Handle choices

Create a vanity as beautiful as it is functional with your choice from the extensive Cadence handle collection.

Keep the whole look minimalist by using chrome or black drawer top handles or opt for a practical wide front-fixed pull option for a fresh take on the industrial look.

A matt black handle option will add interest to create a highly personalised vanity.

Undrilled drawer fronts allow you to position the handles where you wish.

02

Choosing your basin style

Define the look of your unit with either a ceramic or Isocast basin.

Available in 400, 500, 600, or 800 widths, a ceramic basin offers a streamline shape cast from a timeless, traditional material.

An Isocast basin has a clean, precise, low profile design.

Available in 500, 600, 800 sizes, as well as a statement-making 1200mm 'His & Hers' basin.

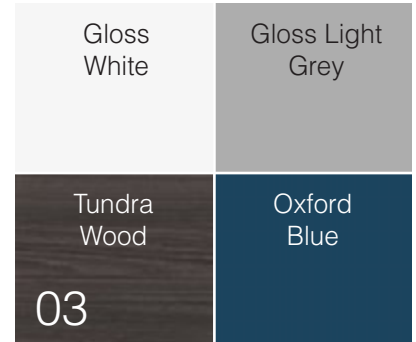

05

Useful storage box solutions

Further personalise your unit and de-clutter your space by adding Cadence solid wood storage boxes to your drawers.

Incredibly useful, with five storage box styles including an L-shaped design with optional additional lids.

Either choose one of the suggested configurations to fit your unit, or select your own mix to best suit your storage needs.

03

Your finish options

Create an artful bathroom with a finish that sets the tone for rest, ritual and relaxation.

Carefully considered, each of our four finish options adds a depth and interest that complements the simple styling of Cadence.

Available in a choice of lustrous gloss or matt, our finishes expand from a neutral gloss white and light grey, to a deep, sophisticated Oxford blue.

Finally, a subtle tundra wood adds a natural touch.

06

Add lighting for the finishing touch

For the perfect finishing touch, light up your Cadence unit with an elegant lighting kit.

The kit lights up the drawer to help you find what you need.

Easy to use and operated by simply touching the side of the unit, this sensor is discreetly hidden from sight.

Tavistock Fitted Furniture Collection

From classic styling to sleek modern lines, Tavistock fitted bathroom furniture has something to suit every taste.

Legacy
Metro Grey

The Legacy range, with its clean shaker lines, delivers beautiful craftsmanship and classic good looks. It has a truly timeless feel when paired with the Vitoria sanitaryware range.

Whatever your bathroom space, big or small, Legacy offers the flexibility and versatility you need to create a unified, traditional look. Standard and slim depth unit options are available in the sizes shown above.

Alongside floor units, a full height unit and wall cupboards there are also co-ordinating bath panels.

Use filler panels to create a framed style and personalise with your choice of worktop, handles, basin, WC and taps.

Solid Surface Worktops

Natural stone-like finish

Grey Quartz

The range of solid surface worktops combines a seamless style with the look and feel of real stone. The natural stone-like beauty of the solid surface finish makes them a perfect choice for your bathroom.

Solid surface worktops are completely solid and can be easily cut to whatever size or shape your bathroom demands, with no need to bond on finishing strips.

Simply cut to the desired profile and sand the edges to a fine finish.

Adhesive is also available for joining longer runs or corner installations.

Solid Surface Worktop Clear Adhesive

- 2 part glue cartridge and nozzle
- 2 part adhesive for solid surface worktops
- Supplied with applicator - specialist adhesive gun not needed

Original 6

The key element of the Original6 Curved sliders is that both the sliding panel and the fixed panel are curved. This provides additional stability and allows the sliding panel to remain within the framework of the enclosure ensuring a smoother opening and closing action.

Due to the unique shape of the Original6 Curved Corner Sliders they require a dedicated shower tray

910 Curved Enclosure

Curved Sliding Enclosures

Height 1950mm (exc. tray)

Inspire Over-Bath Shower Panel

Initially created for the hospitality industry, the inspire Over-Bath Shower Panel deliver the ultimate protection from water spillage and is used in many hotels throughout the world. Its robust construction makes it ideal for use even with the most powerful shower systems and its stylish & attractive design will compliment any bathroom.

Simple to install as new or as a retro-fit, the fixed panel is permanently sealed to the bath edge and the wall, providing a watertight barrier at the showering end of the bath.

Connect2 Slimline Shower Trays

The all new, attractive low profile connect2 tray will never let a joist get in your way again, thanks to the unique offset dual waste outlet.

Whether square or rectangular and whatever the size, the connect2 tray will allow you to connect the waste fitting without the need to reposition joists or raise the tray onto a plinth.

- All connect2 trays are supplied with re-inforced magnetic waste cover, blanking plug and a dedicated high flow waste rated to 35 l/min.
- Unique design avoids the need to cut joists or lift the tray on a plinth
- Guaranteed to work with all standard joist sizes and spans*
- High Gloss Acrylic Capped ABS skin
- Structural Resin Bonded Stone
- Filler for increased stability
- Super-slim 35mm high
- Covered by the KUDOS Lifetime Guarantee†

* With a Connect2 tray the ability to connect to at least one of the waste holes is guaranteed provided that the span between joists is no less than 305mm and the joist width does not exceed 75mm

† Guarantee applies to material and manufacturing defects only. See website for full Terms and Conditions

*When ordering anti-slip finish, please add suffix AS to product code.

AQUAIR

WHIRLPOOL BATHS

Why Choose Aquair?

Why choose Aquair?

Trojan's range of outstanding Aquair whirlpool baths offer the same exceptional quality you've come to expect from Trojan with the added features of a relaxing spa experience:

Quality Components

All components of the whirlpool baths are produced by Kohler, a world renowned expert in whirlpool design and technology. Water is drawn from the bath and forced back through jets. The systems use flexible pipe work, which is smooth, so as not to retain water, yet strong enough to withstand any sagging.

System Choice

Trojan offer a variety of systems which can be upgraded to include a number of different options, including a heated blower, offering an even longer relaxing experience.

Ambient Options

Aquair offer a range of lighting options to help you create the perfect environment to relax in. Choose from a strip of chromotherapy lights which can change colour or be set to a colour that suits your mood, a single light that changes colour or a single colour light.

Attention to Detail

Hygienic drainage is crucial to great design. The pipe work is shaped and supported to promote maximum system drainage and minimal water retention. Ozonators are available for customers wishing to clean the water during use. A cleaning solution is also available to keep your system clean and fresh.

Safety

All whirlpool systems include 'child safety suction'.
Tested to: BS EN 12764:2004+A1:2008.

Quality Assured

By choosing an Aquair system on a Trojan bath there is no third party handling. Trojan control the entire manufacturing process and the fitting of the system itself. Trojan provide their own dedicated service van to ensure that they can provide a prompt and professional after sales backup.

All Trojan baths are factory tested and approved. Trojan test each one of their whirlpool baths under normal working conditions for 40 minutes and then a 20 minute standing period.

Each component part that makes the systems is 100% quality assurance checked prior and during the installation onto the bath by fully trained and approved operators.

All Trojan baths are 100% quality assurance checked at every stage of production prior to any system being fitted.

Pop up waste and overflow supplied & fitted as standard.

2 year guarantee on all systems.

Trojan Aquair Whirlpool Systems

Available Systems

System B

8 jet whirlpool system fully installed - featuring 4 medium sized jets down each side of the bath with a pneumatic on/off switch.

Whirlpool pump & pipework included.

Pop up waste and overflow supplied & fitted as standard.

Fibo Wall Panels With Aqualock System

Fibo makes installation easier and more cost efficient for customers. The wall system can be installed up to 5 times faster than tiles. Forget backer boards, membrane, glue and grouting, this product can be fitted directly onto wooden or steel studs, or even directly onto existing walls.

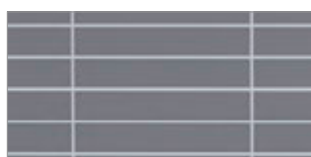

Black Marble Tile

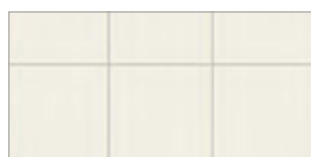

- Easy & quick to install
- Shorter installation time
- Lower fitting cost
- Shorter down time
- No plasterboard required
- Eco friendly
- 15 year warranty

Terms & Conditions

RETURNS PROCEDURE FOR SURPLUS GOODS

A restocking charge of 25% or a minimum of £25.00 will apply to products that are surplus to requirements. Once reported, a collection request form will be emailed to you. Collection will not be made until the form is completed and returned.

Goods can only be returned providing:

- 1) They are perfectly packaged in their original condition.
- 2) They were supplied less than four weeks ago.
- 3) They were not a special order.

Goods Will Not Be Collected Unless A Delivery Is Being Made.

RETURNS PROCEDURE FOR DAMAGED GOODS

All damages must be reported in writing within five days. Once reported a collection request form will be emailed to you. Collection will not be made until the form is completed and returned.

The following condition will apply:

- 1) Goods will be thoroughly inspected and credit will only be given if it is a genuine fault.
- 2) Goods Will Not Be Collected Unless A Delivery Is Being Made.

PLEASE NOTE

Baths & Shower Trays Must Be Thoroughly Inspected Upon Delivery. Claims For Damages After That Will Not Be Entertained.

GENERAL TERMS

New Customers

First orders from new customers should be accompanied by two trade references and a Bank Reference and will be Cash on Delivery until the Credit Account is cleared.

Prices

Orders are only accepted by us for execution at prices ruling at date of despatch. In the event that there is a pricing error in this pricebook, we will not be bound to honour any orders at that price.

Payment

Payment is due as agreed terms i.e., Monthly - by the 30th of the month following delivery date or C.O.D.

Deliveries

Deliveries are subject to available stock and all delivery dates are approximate. Our best endeavors will be made to deliver within the specified period, but no liability for failure to do so can be accepted by us.

Our driver will need assistance with large or heavy items. All goods must be inspected upon delivery.

We strongly advise that you do not book plumbers until your goods have arrived and have been checked. We are not liable for any plumbers costs or compensation in any way.

Products

All Products are subject to availability. If the Product you Order is unavailable, Formula Bathrooms may provide you a near as possible substitute of equivalent quality and price without notice ("Substitute Product").

In the event that we are unable to supply the Product or any substitute Product to you at all, Formula Bathrooms shall notify you as soon as possible.

Any samples, drawings, descriptive matter or advertising issued by the Supplier and any descriptions of the Goods or illustrations or descriptions of the Services contained in the Supplier's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Services and/or Goods described in them. They shall not form part of the Contract or have any contractual force.

Claims

Claims for shortages or non-delivery of goods must be made on receipt, otherwise claims cannot be entertained. Claims for damage in transit must be made on receipt of goods. All products must be fully inspected before installation. Any claims for damages or refitting costs after installation will not be entertained.

Guarantee

All goods are carefully tested and inspected before despatch. Should any goods prove defective with regards to workmanship within 12 months after despatch, same would be replaced free of charge providing our inspection confirms that the claim is valid.

No responsibility, however, can be accepted for consequential damages arising out of any such claim. For the avoidance of doubt, if the manufacturer becomes insolvent you accept that the additional guarantee is lost.

Cancellation Of Orders

Orders accepted by us cannot be cancelled without our written consent, and cannot be cancelled once the order has been despatched. Special orders cannot be cancelled.

Carriage

Orders under £100 will be subject to a carriage charge. The carriage charge will be dependent on what products are ordered.

Compatibility

All shower enclosures, especially quadrant enclosures, must be checked for Compatibility with the shower tray before the shower tray is fitted. Any costs incurred due to error will not be covered by us.
