

Our community may not be able to meet together, but we can gather with our families and pray together. Follow the prayer prompts as you pray for our community. Take a picture and post it on Facebook **#prayFORMaryville** to inspire and encourage others to do the same.

## Maryville Community Prayer Guide

### **For Your Home**

Pray and ask the Lord "What's Next" for your family as you develop new rhythms during distancing. Pray God will use this time of togetherness to draw you closer to Him and to one another. Pray you can disciple your family and that God will take you to a deeper level of belief so you will never be the same.

### **For Your Neighborhood**

It's not a coincidence that these neighbors call the same neighborhood home. God put you in this neighborhood for a time such as this. Pray for your neighbors. Ask God to show you how you can help and show them Jesus during this time. Pray God will allow you to see needs and meet needs in your neighborhood.

### **For Your Elected Officials and City Employees**

Pray for our elected officials and for those employed by the city. Pray for decision makers of the city and for the welfare of the city. Pray for commerce and for provision during this difficult time. Many people will feel the impact of not working. Pray our community will draw strength by knowing God is great and in control.

### **For Northwest Missouri State University**

Give thanks for the students who call NWMSU home. Thank God for the life, energy, and diversity that they bring to our city. Pray NW Christians and the CCH can impact the campus and show others Jesus in mighty ways through this pandemic.

### **For the Nations**

Pray for the nations. We are all united by this pandemic. Pray God will heal, protect, and impact the world for the gospel of Jesus Christ through this pandemic. Pray for missionaries overseas. That God will keep them safe and give them opportunities to impact their communities for the gospel of Jesus Christ.

### **For Nursing Homes and Senior Living Centers**

Pray for older people in our community. Pray the isolation and loneliness be replaced with company and friendship. Pray they feel God's goodness and know they do not have to look elsewhere for their satisfaction.

### **For Area Schools**

Pray for all the schools in our area. Pray they can continue to provide learning and the skills students need for life even during this difficult time. Pray the hearts of our teachers are comforted as they miss their students and try to teach from a distance.

### **For Hospitals and Healthcare Professionals**

Pray for the medical professionals in our city and for the patients they see. Pray for wisdom, strength, and for encouragement that comes from God for all the staff as they treat patients. Pray God will protect our community from illness and provide our medical workers with the resources they need to fight this pandemic.

### **For Our Nature Areas**

Enjoy the beauty of this place as you drive around. Pray others can know Him through His creation. Pray fear be replaced with peace and joy. Pray God's glory be made known and that He heals in mighty ways to take us to deeper levels of belief.

### **For Those Who Protect our City**

Pray for our law enforcement, fire department, and first responders. Pray for safety, strength, and energy to do the work they've undertaken as they keep our community safe and help us when we need it the most.

### **For Our Recreation Facilities and Workers**

Give thanks for the Maryville Parks Department and for all of the parks and recreation areas around our city. Ask God to continue to allow these places to be safe and help people find joy during this time of distancing.
