

Prayer – Renewal Of Mind And Heart 2025

Lord I pray for this dear servant of yours, _____, that you may renew their mind. (holding your hands on both sides of their head). Remove from their minds old cultural perceptions not of you. Remove old religious perceptions not of you. Give to your servant a new mindset of faith in you, of wisdom and knowledge of your ways. Give an ability to relate your will to others easily. May they know themselves a man/ woman called of God.

I pray for the renewal of their heart before you. (holding your hand over their heart). Remove the old heart of fears and doubt in you. Remove the desires of the world and put in a greater love for you and the things of your Spirit. Give a greater deeper faith and confidence in you. Give a greater awareness of faith, the presence of your Spirit, as well as the prompting and guidance of your Spirit in faith. Give a greater heart of wisdom and discernment in you. May they know themselves a man/ woman called of God able to walk in faith.
