

Roger Williams

HEAD CROSSER OFFER

Roger Williams is an author, podcaster, adventurer, and Head Crosser Offer of his bucket list. After more than 30 years working in the youth development and teaching field, a year in quarantine, and two heart attacks, Roger embarked on an adult gap year to prioritize a life in which he is known not by to whom and how he sells his labor, but by the way he lives his life and the people he grows relationships with. During his gap year he completed a three month solo journey traveling around the world to cross items off his bucket list and is now inspiring others to joy in their lives through his podcast and new book: [Live Out Your List](#).

"The inspirational views he shares are contagious. He speaks in pieces of the story, allowing the host to guide and ask for information. Grab Roger before he's booked up!"
