Placement: A two week introductory session to competitive swim. All new swimmers will be evaluated and placed into a group after this period. Placement fees are non-refundable, but will be applied to full tuition on completion. Swimmers must be able to complete 25 yards unassisted.

Red: This group is primarily for beginning swimmers with little to no prior competitive swimming experience. Stroke instruction and technique, along with starts and turns will be focal.

Blue: Swimmers with some competitive experience. They can perform legal 50 yard events of both freestyle and backstroke.

Bronze: Consists of swimmers that can legally perform 50 yard events in all 4 strokes and the 100 IM.

Silver: Consists of swimmers that meet the Bronze requirements, with an increased focus on endurance and time reductions. Timing requirements apply.

Gold: The most advanced group within the Wildcat Swim Club. Gold swimmers exhibit a solid grasp of stroke fundamentals, a developing sense of timing and a deep desire to perform to the best of their ability. Focus is on fine tuning stroke technique. Timing requirements apply.

Entry fee includes participation in the Connecticut Yankee Swim League. USA Swim will be optionally offered

Please come prepared with payment at the time of registration. Payment plans available on request.
