REGISTRATION AND EVALUATION

April 2nd, 2019 - 5:30 to 7:00PM

SEYMOUR HIGH SCHOOL POOL

Be prepared to swim for placement

For More Information:

www.wildcatswimclub.com

Swimmers will be placed in one of five groups depending on age and/or skill level:

Red: This group is primarily for young and beginning swimmers with little to no prior competitive swimming experience. Stroke instruction and technique, along with starts and turns will be focal.

Blue: Swimmers with some competitive experience. They can perform legal 50 yard events of both freestyle and backstroke. Swimmers have basic knowledge of butterfly and breaststroke. Swimmers must be able to perform several continuous laps in practice.

Bronze: Consists of swimmers that can legally perform 50 yard events in all 4 strokes and the 100 IM. Emphasis is on technique while more advanced training skills and endurance training are introduced.

Silver: Consists of swimmers that meet the Bronze requirements, with an increased focus on endurance and time reductions.

Gold: The most advanced group within the Wildcat Swim Club. Gold swimmers exhibit a solid grasp of stroke fundamentals, a developing sense of timing and "big picture" strategy, and a deep desire to perform to the best of their ability. Focus is on fine tuning stroke technique.

Please come prepared with payment at the time of registration. Payment plans and financial assistance available on request.

Red - \$145.00 / Blue - \$165.00 / Bronze - \$185.00 / Silver - \$225.00 / Gold - \$245.00
