Dear Members of the Admissions Committee:

I am pleased to write this letter of recommendation for Mr. Isaiah Kaden Pounds, an exceptional young man and promising student from the City of Atlanta. As the Councilmember for District 10, I have had the privilege of witnessing Isaiah's growth as a leader, scholar, and role model in our community. It is my distinct honor to support his application to your institution.

Isaiah is a student at Benjamin E. Mays High School, where he has demonstrated academic commitment, strong character, and an admirable work ethic. As Captain of the Mays Football Team for the 2025–2026 school year, he exemplifies leadership both on and off the field. His ability to motivate his peers, uphold discipline, and represent his school with pride speaks to his maturity and readiness for collegiate success.

Beyond athletics, Isaiah consistently displays integrity, respect, and a genuine desire to serve others. His involvement in community initiatives, engagement with local leaders, and dedication to personal growth reflect his commitment to becoming a positive force in society. Isaiah is the type of student who does not simply benefit from his environment—he contributes to it.

I am confident that Isaiah will bring this same level of determination, leadership, and excellence to your campus. He possesses the character, resilience, and drive necessary to thrive in a rigorous academic setting. I wholeheartedly recommend him for admission to your esteemed institution.

Thank you for your consideration. Should you require any further information, please feel free to contact my office.

Sincerely,

Andrea L. Boone
