

Canfield 4th of July Committee Cancels 2020 Festivities

May 13, 2020

It is with an abundance of caution and great sadness that the 4th of July Committee has decided to cancel this year's festivities, including the Firecracker Fun Run, Kids' Games and, most significantly, our outstanding Parade. This was not an easy decision, but with great concern for our participants and our community, we felt it just isn't safe at this uncertain time to have throngs of people, elbow to elbow on the Green.

We are looking forward to 2021 and extending our Independence Day celebration into a whole weekend event, including an amazing Monster Truck show and incredible fireworks! Stay tuned for details!

Second Sole, who is in charge of our annual Firecracker 4 Mile Fun Run continues to plan a 4 mile race, whether virtually or physically, if possible. Watch for updates on their plans, or contact josh@secondsoleohio.com for more information.

In the meantime, watch our website and Facebook page for a video montage capturing highlights of past parades.

We ask for your understanding and look forward to seeing you next year.
