Meeting 26-06

The Board of Commissioners of the Manhasset Park District (MPD) convened at the Manhasset Park District Office at 62 Manhasset Avenue in Manhasset, New York at 6:15 P.M. Monday, April 14, 2026. Present were Commissioners Mark S. Sauvigne, David Paterson, and Kenneth Weigand. In addition, Cedric Chow and Jenna Motti, Manhasset residents, Loriann Dinucca, employee of Advanced Urology, Robert Morici, MPD Legal Counsel, and Amanda Niewender, Secretary to the Board of Commissioner was also present.

Numerous communications addressed to the MPD pertaining to a wide array of matters were reviewed and discussed and eventually disposition was made to those, which warrant action.

1. Approval of Minutes from Previous Meeting

2. Payment and Receipts

The following resolution was proposed:

BE IT RESOLVED, that the Board of Commissioners for the Manhasset Park District approved payments as follows:

Checks numbered 11949-11969 approved and signed.

On a voice vote, this resolution was unanimously approved.

3. Cedric Chow

Mr. Chow came to the meeting regarding a ticket he received. He explained he had a monthly displayed for that day. He had it in the corner of the dashboard so maybe the code enforcement didn't see it fully. The Board discussed and since this was his first ticket, and he did have a valid monthly they agreed to VOID the ticket.

4. Jenna Motti

Ms. Motti came to the meeting regarding a permit. She is applying for a resident permit but she lives with her parents so does not have the permissible documents. She provided the Board with her voters registration card, her pay stubs, and multiple pieces of mail. The Board approved for her to get a permit with those 2 documents along with the license and registration, and the parent's proof of residency.

5. Loriann Dinucci

Ms. Dinucci came to the meeting regarding a ticket she received. She is an employee at Urology and has a merchant sticker and an employee sticker. She did not understand the rules of the employee sticker, so she was feeding the meter instead of using the muni meter. She was with a patient and could not get out to feed the meter. The Board explained how she can use the muni meter with the employee sticker. Since this was her first ticket and she does have the appropriate permits to park, the Board agreed to void her ticket.

6. Resident/ nonresident

A nonresident emailed the board regarding a ticket he received. He had paid for the day at the nonresident rate, because he didn't have the car with the permit on it. But as a resident he didn't realize nonresidents couldn't park in any space. The Board agreed to void his ticket since he is actually a resident and did pay the nonresident fee for the day.

7. Fence Quotes

The fence at George Street is in disrepair. It needs to be replaced. The following was proposed:

WHEREAS, the fence at George Street needs to be replaced,

WHEREAS, multiple quotes were received,

THEN THEREFORE, BE IT RESOLVED, the fence will be replaced by Liberty Fence not to exceed \$4,000.

On a voice vote, this resolution was unanimously approved.

8. Sprinkler Quotes

The Board reviewed the quotes we received from 3 sprinkler companies to install a sprinkler system at Park Avenue. Since the quotes came in using different material, the Board agreed to obtain quotes from all companies for poly pipe material.

9. Park Avenue

The Board discussed revitalizing Park Avenue. They decided to rip out all of the bushes along the walkway. After they are removed, they will discuss repaving the walkway and decided what to add. They would also like to replace the benches since they are sagging.

10. Hillside Avenue

The Board reviewed the packet Commissioner Paterson prepared for a Hillside Avenue open air 2<sup>nd</sup> level. They discussed the possibility of getting grants. They would like to speak to an architect to see the validity of the project.
